KeySpan Communications Corp. to National Grid plc,  
National Grid USA and National Grid US8 Inc.

WC Docket No. 07-55

### By the Chief, Wireline Competition Bureau:

On March 19, 2007, KeySpan Communications Corp. ("KeySpan"), National Grid plc, National Grid USA, and National Grid US8 Inc. ("National Grid Companies," together with KeySpan, "Applicants"), filed an application, pursuant to section 63.04 of the Commission's rules,<sup>1</sup> requesting authority to transfer control of KeySpan to the National Grid Companies.

The Commission released a public notice accepting the application for streamlined processing on March 27, 2007.<sup>2</sup> On April 6, 2007, the Department of Homeland Security, with the concurrence of the Department of Justice, including the Federal Bureau of Investigation (collectively, the "Executive Branch Agencies"), filed a letter requesting that the Commission defer grant of this application while the Executive Branch Agencies address potential national security, law enforcement, and public safety concerns.<sup>3</sup> In response to the request, the Wireline Competition Bureau removed the application from streamlined review.<sup>4</sup> On July 26, 2007, the Executive Branch Agencies withdrew their April 6, 2007 request to defer action noting that they have no objection to a grant of the application.<sup>5</sup>

The Wireline Competition Bureau finds, upon consideration of the record, that grant of the application will serve the public interest, convenience, and necessity. Upon consummation of the
